This astonishing 43m (141 ft) tri-deck superyacht is a masterpiece created by the Gulf Craft in-house Design Studio. Majesty 140's perfectly symmetrical aesthetics, sportster silhouette and large panoramic windows creates a seamless at-the-sea environment. She sets new standards in on-board space featuring 6 staterooms with the option to increase up to 7 staterooms. Among the notable features, the 'one-touch' drop down balconies, layered sun deck and beach club particularly stand-out.
